NOTTING HILL
CARNIVAL®

THE ROYAL BOROUGH OF
KENSINGTON
AND CHELSEA

For the first time in its 54-year history, Notting Hill Carnival is moving entirely online over the August bank holiday weekend, 29-31 August 2020. Due to the Coronavirus pandemic, Carnival will not take its usual form this year, on the streets of Notting Hill, but there is an alternative:

Notting Hill Carnival 2020: Access All Areas

The Carnival community has come together to create a three-day digital programme streaming for free over four channels, so that everyone can enjoy the true spirit of Carnival from home while helping to protect lives and limit the spread of Coronavirus. It keeps Notting Hill Carnival alive at this challenging time, giving an outlet to the thousands of people that spend all year creating incredible costumes and amazing music for Europe's largest event.

“This is a fantastic solution for 2020. We may not be able to celebrate together on the streets as usual, but we can all come together online to celebrate one of the UK's great cultural events.”

Matthew Phillip, Executive Director of Notting Hill Carnival Ltd

Details on how to register at www.nhcarnival.org

- > Stay safe, stay at home
- > Maintain Social Distancing
- > Come together online
- > And come back next year

The Organisers, both Councils and the Police are working together to ensure we all stay safe, and do not support any group gatherings or street parties taking place over the weekend.

Please stay home and enjoy Carnival online.

As the event is not taking place on our streets this year, there are very few changes to our services.

Vehicle access in the area

There will be no Carnival-related road closures, barriers or parking suspensions.

Street Cleaning and Waste Collection

In Kensington and Chelsea, on Bank Holiday Monday there will be normal rubbish and recycling collections but no Too Big for the Bin bulky waste collections. Please ensure you put your rubbish and recycling out before 7am on your day of collection (not the night before). Local garden waste collections will operate as normal on Wednesday 2 September. For more information: www.rbkc.gov.uk/binsandrecycling

In WCC, services will run as normal. Please check your collection date on <http://transact.westminster.gov.uk/env/streetsearch.aspx>

If your waste is not collected by the City Council, please check with your private commercial waste collector for their service provision during the bank holiday weekend. If they cannot collect, then please do not place waste on Westminster's streets.
