

CELEBRATE WALK TO SCHOOL WEEK!

20 – 24 May 2019 is National Walk to School Week, when schools all over the country will be putting their best foot forward and doing fun walking challenges.

To celebrate Walk to School Week we're running the Dinosaur Discovery Trail in May from Friday 17 to Sunday 26 May, so everyone in the borough can get involved in the fun!

Follow in the giant footsteps of our Jurassic friends as you search for Kensington and Chelsea's roarsome residents during May.

DINOSAUR DISCOVERY QUIZ

How many dinosaurs can you find? There are **32 locations to discover**
around the borough, 31 are marked on the map, and the last cheeky
dinosaur is exploring Portobello and Golborne Market, visiting different
traders during the trail. Look out for him if you're walking that way, and
check the Market's Twitter feed for clues @RBKCMarkets

The dinosaurs have the answers to the quiz questions. Just match the
number and location on the map with the question number, find the
dinosaur and then you'll find the answer.

Remember, if you find at least five dinosaurs and answer each question you
could win a goodie bag. If you manage to visit all 32 dino locations and
send us your completed quiz you might win a scooter!
