

Notes:
 1. All Parameter Plans (EC-PA B) to be read in conjunction with the Design Code (EC-PA C) and Development Specification (EC-PA A).
 2. This plan does not present information for approval for areas within the Detailed Component Boundary.
 3. Development Zone flexibility and limits of deviation are described in the Parameter Plan 004 - Development Zones, Maximum Building Lines and Public Realm, and apply to this plan.

No implied licence exists. This drawing should not be used to calculate areas for the purposes of valuation. Do not scale this drawing. All dimensions to be checked on the site by the contractor and such dimensions to be their responsibility. All work must comply with relevant British Standards and Building Regulations requirements. Drawing errors and omissions to be reported to the architect. To be read in conjunction with Architect's specification and other consultant information.
