## Notes

The above are the recommended school terms and holiday dates for nursery, primary and secondary schools. Please note that many schools now have the autonomy to determine their own term dates. You are advised to contact your child's school directly to confirm their term dates.

The dates show schools being open for 194 days. From these, five staff training dates are to be determined by the school's governing body. Some governing bodies may choose to hold staff training at 'twilight sessions' after the school day and to extend the school holiday for staff.

Schools which close for local elections are required to extend the summer term or coincide it with an 'inset' day.

We are recommending a common transition day for Year 6 pupils to visit the secondary school that they will be attending. Schools are not bound by these suggested dates, though we would anticipate that using the recommended common transition day would have logistical advantages for both primary and secondary schools.
