Declaration

- 1.** Disabled parking badges are issued to a disabled person solely for their use when travelling in a vehicle. I will not use the Purple Badge unless the badge holder is travelling in my vehicle. I understand that if I do this I will have committed an offence under the Royal Borough's Traffic Management Order that will result in my vehicle being removed, and that may result in withdrawal of the parking badge by the Council.
- 2.** Blue and Purple Badges issued to an individual must not be displayed in two separate vehicles simultaneously in order to avoid paying parking fees. To do this is an offence under the Royal Borough's Traffic Management Order as regards a Purple Badge. As regards a Blue Badge, this is a criminal offence which carries a fine of £1,000 under Section 117(1) of the Road Traffic Regulations, and under Section 21(4B) of the Chronically Sick and Disabled Persons Act. 3. Blue Badges may not be used to avoid paying parking fees, or the London congestion charge, when the disabled badge holder is not travelling in the vehicle. I understand that to do this is a criminal offence under the Fraud Act 2006.
- 3.** If I misuse disabled person's parking badges in violation of the law, or of the Royal Borough's Traffic Management Order, I will be removed as the person's nominated driver and I may face prosecution by the Council.
- 4.** I will inform the parking badge holder immediately if I change my car so that they can request a replacement badge bearing the new registration number.
- 5.** I will inform the parking badge holder immediately if I change my car so that they can request a replacement badge bearing the new registration number.
- 6.** I understand that if I or the parking badge holder alter a badge in any way it will cease to be valid, and any vehicle displaying the badge will be subject to penalty charge notices and removal from the parking space.

By signing and dating this section, I confirm that I have read, understood and agreed each of the above statements.
