

Utility Company Only Application For Suspending Parking Bays

We suspend parking places for utility companies for road works on the first day only (unless the reason is for traffic flow) to enable them to access the requested site to carry out necessary works.

We do not grant suspensions for cars, people carriers, four-wheel-drive vehicles or minibuses.

Submission of this form is not an agreement that the suspension will be agreed.

The Council reserves the right to cancel an application if the suspension charge has not been paid before the date shown on the invoice.
