

## **Director for Family Services**

### **Job Outline**

#### Main Purpose of Job

- This post carries overall responsibility for social work and associated services to vulnerable children and their families who are resident in Kensington and Chelsea.

#### Key Accountabilities

- The services provided to families include those to deal with child protection, children in care, disabled children and other specialist services to children who are at risk of harm.
- The Director for Family Services also acts as the lead adviser to the council on safeguarding matters and works with other key children's agencies such as health and schools in order to ensure that vulnerable children are protected.
