Dear Mr Liddington,

Partial Review of the Core Strategy for the Royal Borough of Kensington and Chelsea with a focus on North Kensington

Submission of planning policies - Basements, Conservation and Design and Miscellaneous Matters

The attached email and accompanying legal opinion on behalf of Cranbrook Basements was received on 16 April 2014 by the Council. Consultation on the Publication Basements Planning Policy closed on 26 March 2014.

As such this very late submission has not been considered by the Council or responded to along with other representations. An earlier legal opinion was included with Cranbrook Basements' submission by close of consultation on 26 March 2014 which has been considered and responded to by the Council (see BAS 05/02). If the Inspector does decide to accept the document, the Council will provide a response to the points raised in the normal course as part of the preparation for the examination unless the Inspector would like a specific response to be prepared.

Yours sincerely,

Jonathan Wade
Head of Forward Planning
