Planning consultation: Partial review of the Core Strategy with a focus on North Kensington.
Location: Kensington and Chelsea.

Thank you for your consultation on the above dated 09 July 2013.

Natural England is a non-departmental public body. Our statutory purpose is to ensure that the natural environment is conserved, enhanced, and managed for the benefit of present and future generations, thereby contributing to sustainable development.

Natural England does not consider that this Partial review of the Core Strategy with a focus on North Kensington poses any likely or significant risk to those features of the natural environment¹ for which we would otherwise provide a more detailed consultation response and so does not wish to make specific comment on the details of this consultation.

We really value your feedback to help us improve the service we offer. We have attached a feedback form to this letter and welcome any comments you might have about our service.

Yours sincerely,
