Partial Review of the Core Strategy: THE ROYAL B. OF K&C
WITH A FOCUS ON NORTH KENSINGTON -PUBLICATION STAGE
LETTERS: JULY 2013

Thank you very much for informing us the above-named
Publication Stage: A FOCUS ON NORTH KENSINGTON.

According to your statement/comments, little we can offer
since, since the Council cannot amend the submitted policies
before your Submission to the Government.

Initially, we support i) Basements Publication Planning
Policy.

ii) Housing Publication Planning Policies, July 2013
The reading of " It includes policies on housing diversity
which includes housing mix and type as well as clauses
relating to affordable housing" THE READING OF
"HOUSING MIX AND TYPE AS WELL AS CLAUSES RELATING TO
AFFORDABLE HOUSING" What is the Council's understanding
"AFFORDABLE HOUSING". This is too complex???? and not
very clear to "understand". We know that "AFFORDABLE" IS
A MEANINGFUL WORD OF SPEECH/WRITING UNPRACTICAL IN ACTION.
/but/
SO, PLEASE REMOVE IT.

2. PUBLIC HOUSE: Holland Road/Napier Road, W14 "STRICTLY IN CONFIDENCE"

This Pub, since changed owner, have put tables on pavement, corner
Holland Road. Although they have their right to use, only, part
of the "pavement" They have placed a BIG BLACK BOARD, CLOSE TO THE
LETTER-BOX, WHICH BLOCKS THE VIEW OF THE PAVEMENT AND RESTRICT
PEDESTRIANS/PASSERS-BY, THIS "BIG MENU-BOARD" SHOULD NOT BE DISPLAYED
ON PAVEMENT. The pavement is for the pedestrian/s and not for
the convenience of business, which may cause obstruction/s on
"pedestrian/s" We trust that the Council will observe **this case.**

Thank you for information and inviting us to comment on the Core
Strategy.

Yours sincerely,

E.M. PEDRAZ-ESTEVEZ
