

Bi-borough Head of Disabled Children's Services

Job Outline

Main Purpose of Job

I manage social care and short break services for Disabled Children and their Families. These services are aimed at normalizing these family's lives and enabling disabled children to access all the experiences non disabled children enjoy. (From April 2012 I will manage the Early Help Services aimed at supporting families at the earliest opportunity.)

Key Accountabilities

- Social work services for disabled children
- Day Care services for disabled children
- Behaviour and Family Support services for disabled children
- Social work services in the Chelsea and Westminster Hospital (from 1.4.12- The Early help Teams)

Staff Directly Managed: 5

Budgetary Responsibility: £221,000
