## Publication Stage Representation Form

To be “**sound**” the contents of a local plan should be POSITIVELY PREPARED, JUSTIFIED, EFFECTIVE and consistent with NATIONAL POLICY.

“**Positively prepared**” means that the planning policy needs to:

- be prepared based on a strategy which seeks to objectively assess development and infrastructure requirements, including those of neighbouring authorities where it is reasonable to do so.
- It must also be consistent with achieving sustainable development.

“**Justified**” means that the planning policy must be:

- founded on a proportional evidence base
- the most appropriate strategy has been selected when considered against the reasonable alternatives.

“**Effective**” means that the planning policy must be:

- deliverable over its period
- based on effective joint working on cross – boundary strategic priorities.

“**Consistent with National Policy**” means that the planning policy should enable the delivery of sustainable development in accordance with the guidance contained within the National Planning Policy Framework (NPPF).

It must also be **legally compliant** which means that the planning policies have been prepared in accordance with legal and procedural requirements.

Terrible noise all day + dust  
Very afraid of "Soundness"  
of the walls.  
These Regency houses were  
not made for excavations  
of these proportions.
