

### Schedule of suggested Minor Changes to Publication Version of Miscellaneous Matters Policies

Paragraph No.	Publication Wording	New Wording	Reason
1.2.5	The Development Plan for the Borough comprises the Mayor's London Plan Spatial Development Strategy for Greater London published in July 2011 and the adopted Local Plan.	The Development Plan for the Borough comprises the Mayor's London Plan Spatial Development Strategy for Greater London published in July 2011 and the adopted Local Plan <b>and any neighbourhood plans that have been adopted.</b>	Clarity
36.3.43	Issues of noise and nuisance are considered on a site by site basis having regard to the proposal, site context and surrounding uses. Owing to the specialist nature of enforcing noise standards, the advice of the Council's Environmental Health Department will be sought on all applications where noise and vibration is likely to be an issue.	Issues of noise and nuisance are considered on a site by site basis having regard to the proposal, site context and surrounding uses. Owing to the specialist nature of enforcing noise standards, the advice of the Council's Environmental Health Department will be sought on all applications where noise and vibration is likely to be an issue. <b>The standards used to assess these developments are set out in the Councils adopted Noise SPD.</b>	Clarity
