Dear Chris

Thank you for your recent correspondence inviting the Highways Agency (HA) to comment on:

The Royal Borough of Kensington & Chelsea Basements, Conservation & Design and Miscellaneous Matters Examinations

ID/23 Main Modifications to Basements Submission Planning Policy (BAS 01)

ID/24 Policy CL7 Basements: Monitoring Indicators

ID/25 Correcting Addition to Sustainability Appraisal/Strategic Environmental Assessment, September 2014

The HA is an executive agency of the Department for Transport (DfT). We are responsible for operating, maintaining and improving England's strategic road network (SRN) on behalf of the Secretary of State for Transport.

The HA will be concerned with proposals that have the potential to impact the safe and efficient operation of the SRN.

We have reviewed the documents and do not have any comments at this time.

Kind regards,

Sent on behalf of Stephen Hall (Asset Manager) at the Highways Agency.

Barbara Barnes
