VCSE sector in Kensington & Chelsea

This briefing data has been prepared by LVSC, part of the London for All partnership funded by London Councils to build capacity in London's voluntary sector.

The data included here was accurate in October 2013. Commissioned by LVSC, it was compiled by NCVO, using open data sources. You can see more London-wide analysis of this data at <http://data.ncvo-vol.org.uk/areas/london/intro>.

These figures do not include unregistered voluntary and community groups operating in every borough.

The registered charities data used in all tables have been filtered using a 'third sector test'. Included are organisations generally considered to be part of the third sector, we have removed organisations not traditionally seen as third sector but still registered as charities, such as housing associations, independent schools, government bodies, trade associations and faith groups whose main objective is the promotion of religion.

The list of Companies Limited by Guarantee has been filtered to remove registered charities (to avoid double counting) as well as organisations not traditionally viewed as third sector, such as management companies of blocks of flats.
